20 Exchange Place
New York 5, N. Y.

Dear Mr. Plimpton:

I deeply regret that it has taken so long to answer your letter of 16 February to Bill Jackson. However, it has just come to my attention today. As you probably know, he is out of town on his honeymoon and we expect him to return to the office on 5 March.

For your own personal information, [redacted] was interviewed and I am advised that we hope to employ her upon graduation and return from a trip to Europe in September.

I shall, of course, bring your letter to Bill's attention when he comes in Monday.

Sincerely,
